

SENIOR SKIRT MEASURING GUIDE

How to measure your waist

Measure around the waist at the natural waistline (smallest part). In younger children this is usually midway between the bottom rib and hip bone.

Find the correct length

Skirts - Measure from where the skirt would sit (usually midway between the waist and hips) to where you want the skirt to finish. Many of our styles are available in various lengths to suit your requirements.

Senior Straight Skirt - DL969

Waist (inches)	22- 28" (2" rise)			30"			32 - 38" (2" rise)
